WASTE NOT WANT NOT
CREATING COMFORTABLE HOMES AT AFFORDABLE PRICES

VOLUNTEER CASE STUDY: PAUL

Paul not only supports us 3 days a week, but he also volunteers at his local church.

“I enjoy helping people and being part of the Waste Not Want Not team and they are a good team! I do lots of things, from cleaning cookers and fridges, helping customers to load their car with items they have brought from us, to cleaning the windows and the CCTV cameras making sure there are no cobwebs”, explains Paul “I also take care of the outside space and get rid of weeds, so the area looks nice”.

Charity Manager Annalisa reflects “Paul has been volunteering with us for over four and a half years and during this time he has volunteered for over 4162 hrs! That is such an incredible achievement, well done and thank you Paul!”

As a small charity with only four members of staff, three of whom are part time, Waste Not Want Not relays on our team of volunteers to help our showroom run smoothly. We currently have seven volunteers and are looking to recruit a Community Engagement Volunteer. If you like meeting people and being out and about attending community events please contact our Charity Manager at annalisasolla@waste-not-want-not.org.uk for more information and an informal chat.

Thank you to Chippenham Town Council and the Wessex Water Foundation for supporting our work with volunteers.
